NANO CRU

Trenton International, in partnership with RAK Porcelain, are proud to bring you the latest in simple yet elegant design. Nana Cru embodies a stylish double banded rim which will perfectly complement your culinary designs and enhance the dining experience.

Using cutting edge technology, RAK Porcelain collections are designed to withstand intensive use as well as mechanical and thermal shocks. By selecting raw materials of the highest quality, RAK products stand up over time to the heat of microwave or traditional ovens, while retaining the brilliance of their enamel and the fineness of the decoration.

The Warranty only applies if the product supplied has been used:

- in accordance with Trenton International's Care and Maintenance instructions which are available on our website; and
- with reasonable care and under normal commercial conditions.
