

# ZUMA

Consisting of 14 stunning colours and an array of shapes, Zuma establishes the ideal opportunity to mix and match for your own innovative style & cuisine.

Made from a fully vitrified ceramic body and featuring rolled edges, Zuma has been designed with hospitality and commercial settings in mind, providing a beautiful platform that is functional and ultimately durable.

Zuma utilises a single-fired manufacturing approach for a more environmentally conscious result, reducing the energy needed to create each piece of ware.

The addition of two new colours, Forest and Gravel, provide an on-trend colour palette perfect for mixing and matching, whilst creating a moody allure to plating through deep contrasts and placing emphasis on food presentations.
