

New Release

Vellum is a growing collection of Churchill Super Vitrified ranges decorated in an innovative and durable semi-matte glaze, specially formulated to meet key standards for the hospitality industry. The subtle, tactile semi-matte finish offers a minimalist platform to create striking food presentation while providing longevity of product.

The Vellum Satin White collection features shapes from the Evolve and Lotus ranges, finished in the Vellum semi-matte glaze.

Also available is a new addition to the Studio Prints category – Haze. This multi-tonal pattern is inspired by the process of spraying coloured glaze onto ceramics. The muted blue patterning is perfect for complementing other white collections, adding unique variety to your place setting.
