

## New Release

Dudson's popular range Evo is now available across a selection of beverage items. The three original Evo colours; Granite, Jet and Pearl, mix to create a natural tabletop combination. Granite features a reactive glaze, with multiple matte tones that make each piece individual. Jet offers a dramatic tabletop solution, the stark black tone and matte glaze contrasts perfectly against the white foam of a cappuccino. Whilst subtle Evo Pearl offers a humble and homely place setting without compromising on character.
