

New Release

Finca, available across colours Sandstone and Limestone and several organic shapes, draws on the heritage of the Dudson Brand and creative ceramic crafts.

The multi-tonal prints mimic worn textures and rustic interior. Decorated under-glaze for industrial toughness, Finca has been designed for professional use while providing a homey charm. Each item is finished in semi-matte, hand dipped glaze, enhancing the character of the collection.

Proudly made in the UK and subject to Dudson's 5 Year Edge Chip Warranty.
