

New Release

Moda Porcelain is an organic range reminiscent of artisanal ceramic with the benefit of commercial quality across 6 colours, the only range of its kind that comes with a 5 year edge chip warranty. Shapes in the offering have been specifically selected to best suit each colour and finish, adding an even more eclectic feel to this beautiful range.

A key feature to the Moda Porcelain range is that in the production process each piece reacts differently and the colours and patterns have an individual variance which adds to your custom setting. From fine dining elegance to cafe chic, Moda Porcelain will add colour and individuality to any food experience. All colours are designed to mix and match, and bring a unique look to every tabletop.

CHIC

Artisan crafted and exquisitely designed, the Chic Moda Porcelain range, with its darker-hued rim, is a beautiful addition to any table and perfectly complements a range of cuisines and settings.
