LUIGI BORMIOLI SWING

Luigi Bormioli

The Swing range from Luigi Bormioli is inspired by the roaring hey-day of speakeasies, with a lightweight body, fine titanium reinforced stem, and delicately ridged bowls. Present your beverage offering with a retro elegance – Swing is a stylish addition to any contemporary restaurant, bar or hotel.

The range is produced in Luigi Bormioli's ultra-clear SON.hyx crystal glass, with unmatched transparency, an added resistance to mechanical shock and the ability to withstand rigorous industrial washing cycles.
